ITEM 4. CHARGES, INVOICES and CREDIT TERMS:

All charges will be assessed against the Ocean Carrier (VOCC) and/or its authorized agents, and/or the cargo, shipper, receiver, motor carrier or their respective agents, hereinafter Customer.

All charges shall be collected in advance of delivery or prior to release of the cargo and/or equipment for which services were provided including but not limited to stevedoring services, terminal handling, gate charges, and other terminal fees published within this tariff.

In the event an Ocean Carrier fails to pay in full any of these applicable charges Port Everglades Terminal reserves the right to assess and require prepayment of any shortfalls from the cargo, shipper, receiver, motor carrier, and/or their respective agents.

Customer shall pay for terminal and/or stevedoring services upon the rates and charges on Operator's written quotation, tariff or other document, which quotation, tariff or other document from Operator shall be deemed accepted by Customer upon commencement of any performance by either party, including without limitation any access to and/or use of the terminal facility and/or terminal services and/or stevedoring services of Operator whatsoever by, or on behalf of Customer. Upon any such acceptance, Operator's written quotation, tariff or other document shall be deemed fully incorporated herein and binding upon the parties. If no rate or charge was quoted or otherwise identified to Customer for a particular terminal or stevedoring service, the applicable rate/charge shall be Operator's standard rate/charge therefore, which standard rate/charge shall be provided to Customer upon request.

All invoices for services rendered by PET are due and payable no later than 21 days from invoice date. A service fee of 15% shall be applied to balances carried over the allotted 21 day period. If payment has not been received within 45 days, PET reserves the right to withhold services to the delinquent party.

Certain cargoes handled through the Port Everglades and/or PET may require additional security. Charges for this mandatory security shall be for the account of the cargo.

Any check returned for NON_SUFFICIENT FUNDS (NSF) or otherwise uncollectible, will be assessed a fee (for each occurrence) of \$250.00. Any company that has one (1) check returned may be subject to cancellation of credit privileges. Cash payment will be required for companies for which check acceptance privileges have been cancelled.

The services, rates and charges provided in this tariff also apply to water carriers/vessels not included in the definition of common carrier in section 3 (6) of the Shipping Act of 1984 unless prior arrangement has been made with PET.

Reissuing invoices for any other reason other than a clerical error made by the Terminal shall result in an administrative fee of \$25.00 per invoice reissued plus any additional postage and handling at cost. (I)

ITEM 7. HEAVY LIFTS:

Charges will be determined by the equipment and labor required to handle heavy lifts. Rates and services shall be quoted on request.

ITEM 8. (C) LIMITATIONS OF LIABILITY:

PET assumes no liability or responsibility for loss or damage to freight or cargo handled or transhipped through its terminal, or remaining within its premises at any time, when such loss or damage is caused by one or more of the following events: strike, riot, civil commotion, fire, explosion, smoke, dust, water, aircraft or other falling object, change in temperature, relative humidity or other environmental condition, inherent vice of freight or cargo, windstorm, hurricanes, Acts of God, terrorism, loss of power, refrigeration failure or theft, hereinafter known as “no liability events”. PET shall have no liability when their failure or alleged failure to exercise due and proper care in performing the services and affording the facilities provided for herein occurs concurrent with or immediately following one or more no liability events. IN NO CASE, SHALL PET BE LIABLE FOR DAMAGE, LOSS, NON-DELIVERY, MIS-DELIVERY OR CROSS DELIVERY IN EXCESS OF \$500.00 PER PACKAGE OR NON-PACKAGED CARGO AS PROVIDED FOR IN THE US CARRIAGE OF GOODS BY SEA ACT. All claims against PET must be filed within 90 days from the delivery of the cargo by PET and any suit against PET must be instituted within one year from the date of delivery of the said cargo by PET. PET assumes no liability or responsibility for consequential loss or damage, loss of use or profits irrespective of whether such loss or damage is the result of one or more no liability events or one or more other events whether or not such events occur concurrently or successively. Acceptance for use of any facility owned or operated by PET is recognition that the cargo landed on or contained in such facilities is at risk and expense of the cargo owner and subject to the PET tariffs. Rates and charges published in this tariff do not include cargo insurance of any nature.

No watchman service or security service of any nature is provided for by PET unless otherwise specified. Watchman rates as per agreement (C)

A loaded container or loaded trailer will be considered as a single unit.

ITEM 8A. (I) FORCE MAJURE

PET is not responsible for any consequences or claims (including but not limited to loss of or damage to cargo or equipment) arising from any cause beyond its control including, but not limited to, stoppage of work or delays occasioned by strike, slowdown or lockout, weather, Hurricanes, flood, acts of God or public authorities, war, terrorist act, embargo, fire, or any other similar cause.

ITEM 9. WORK STOPPAGE:

PET is not responsible for any consequences or claims arising from any stoppage of work or delays occasioned by strike or any other cause beyond the control of PET.

ITEM 10. BILLING COMPENSATION:

PET may, at its option, compensate carrier's agent for billing and/or collection of Terminal Charges only.

Effective: 4 FEB 2022

Filing Codes: (I)

Containers segregated from vessel discharge and consolidated into stacks or piles, for specific customers, or large lot trucking companies, for the purpose of retrieving containers in the order of their stacking (front of pile/stack), as pre-arranged by PET and the contracting party.

At its sole discretion, PET will determine which container may become eligible for peel-off stacking. The scope of the work planned, and related costs must be confirmed prior to the planning of a vessel's visit. Confirming peel-off stacking does not guarantee that all planned containers will become segregated into peel-off stacks/piles. The final groupings are subject to ongoing vessel, yard operations, and other factors which may have an affect executing the segregation as initially planned.

Unless otherwise Peel-off stacking parameters defined as follows:

- 1) 20 units (containers) minimum per peel-off pile
- 2) Dedicated terminal resources for peel-off stacking operations (per agreement)
- 3) Minimum container delivery equal to 90% or greater peel-off piles completed within free time or period per agreement
